

## ***Requesting a charitable contribution or donation from Merchant du Vin***

If you want to ask us for a donation, please allow us to first say: “thank you for thinking of us.” Because we get a fairly large number of requests, and because the number of donations we make will always be smaller than the number of great causes, we have established the following guidelines.

### **We will be pleased to consider requests from organizations that:**

1. Are 501(c)3 non-profit organizations.
2. Are not related to, and are not providing a benefit to, any school or group related to kids. (Because we are in the business of selling beverage alcohol, we don't want to give the appearance of advertising our company via any channel related to anyone under legal drinking age.)
3. Can give us 60 days before any event for consideration, and for co-promoting the event.

### **In addition, the following is very helpful to us when considering event donation requests:**

1. The full address of the location; start time, end time, and date.
2. Estimated number of attendees, and makeup of attendees.
3. Does the venue hold a liquor license or temporary license (sometimes known as a “banquet permit”)?
4. Confirmation that a donation of beverage alcohol is legal in the state where the event will take place.

Please make your requests by mail or by e-mail, and include the info requested above:
