

Samuel Smith Oatmeal Stout IN KEGS

August 24, 2017:

Hold your horses, because we've commissioned the famous Samuel Smith's Shire horses . . . well, they'll assist anyway.

For the first time in the 259-year history of Samuel Smith's Brewery, their authentic, traditionally brewed Oatmeal Stout - the beer that defines a style - will be shipped from England **in kegs!** US arrival is late October. Quantities and regional availability will be very limited; working closely with the brewery, we plan to offer future draft releases regionally.
