**YORKSHIRE STINGO**

**Samuel Smith's Old Brewery**

*Old Ale*

The only beer this year to receive a perfect, 100-point score from our panel, Yorkshire Stingo nails the BJCP's guidelines for old ales at every step, and goes the extra mile by delivering complex malty surprises with each trip back to the glass. Every sip's memorable as rich caramel and sherry flavors play alongside deep, woody oak notes and molasses threads. The complexity is masterful and might be the best thing to happen to your snifter all year.
