

## SAMUEL SMITH'S ORGANIC CIDER NOW IN CANS!

Tacoma, June 3, 2020: After the wide distribution gains and huge sales growth of **Samuel Smith's Organic Cider** in bottles over the past few years we are pleased to announce that 4-packs of 14.9 oz. (440 mL) **Organic Cider Cans** have arrived in the US!

Crisp, clean, and with wonderful flavor that's true to the apple orchard, **Organic Cider** has a friendly apple-blossom entry, brilliant conditioning, and a finish that's dry but not austere. It's vegan, naturally gluten-free, and USDA Certified Organic too.
